

To all our friends and partners,

Many of you know that we are missionaries to and living in Northern Ireland.

Since our arrival we have seen many believers awakened and empowered for the purposes of the work of the Kingdom of God.

Leaders have emerged already this year who are now working side by side with us to accomplish the Lord's plan here. Together, we have had the great privilege of training believers from various churches around Northern Ireland in winning souls and seen hundreds come to faith in Jesus Christ this year already. All Glory to God!

God called us here with a clear purpose: One part being to awaken, train and empower believers to fulfill the plan and purposes of God while walking and operating out of His great love! Mark 16:15-20 in its entirety is for each believer and we are seeing the Lord bring it to pass in miraculous ways.

Many who spent years of their lives in religious backgrounds have now been born again for the first time, baptized and are now on fire and serving the Lord, winning souls, praying for the sick, seeing healings, etc. All part of the plan....see verses above. The Lord of course is always faithful to confirm His word and the signs follow like in Mark 16:20

Ireland truly is being shaken by the Glory of God!

This brings us to the purpose of this letter. Last year we began holding meetings where many have been saved, healed, delivered and empowered. God is so faithful!!! Through the Lord's leading and direction, we have started

# The Freedom Centre

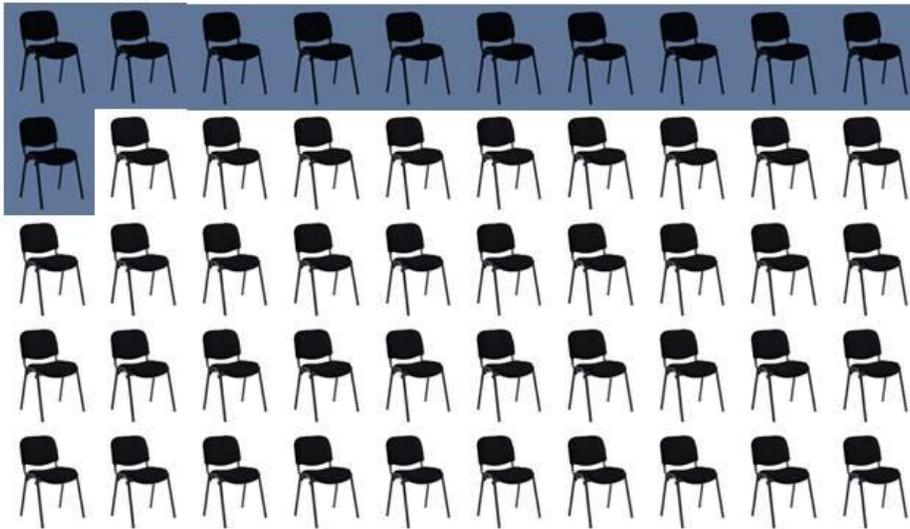

which is being established as a multi role ministry here. We operate as a church as well as an evangelistic training center and much more. Some of the areas of focus are:

- 1- Preparing every member of the body of Christ to go out from here into all of Ireland and Northern Ireland and even around the world preaching and performing the gospel of our gracious and loving Saviour Jesus Christ!
- 2- We have already begun to provide for the poor and are expecting that part of the ministry here to increase massively as finances increase and other Charity provisions come in. A great percentage of the population here in the city we are focusing on, Londonderry, also called Derry, Northern Ireland, are on welfare and often run out of money and food. We have paid bills, provided heat, clothes, food, transportation and much more. We also feed prepared meals to many in need.
- 3- As a ministry we also have and will continue to train other churches in outreach and evangelism using the soul winning script to win the lost. All believers can simply lead others to Jesus without the confrontations and religious debates many encounter when trying to reach out. We even have it in Android app form so you can have it with you on your phone or device whenever and wherever you are.

In order for us to accomplish these ministries here, we will require a more permanent facility. To this point we have met in our home or local hotel conference rooms. Both of these limit our capabilities to provide the ministries we are called to. We have been looking at buildings for The Freedom Centre but continue to meet in the meantime. Through funds from previous donations, we have provided chairs however they are solid wood cafe type chairs which are not proper for support or comfort.

Our commitment to the Lord is to never go into debt in order to accomplish the call God has directed us to. We believe firmly and have proven the Lord in this, **The Lord always supplies more than enough provision to accomplish His vision!**

As tithers and givers ourselves we know that the Lord uses people to meet the needs of His work. We also realise that understand fully the Lord's plan of providing seed to the sower, bread for food and multiplying our resources for giving (2 Corinthians 9:10). With this in mind, outlined below you will see where we are at this moment after less than 2 weeks with regard to our first order of 50 chairs for The Freedom Centre:
