through prayer, more time filling up with the Word & following the heavenly promptings to do things in the Lord's way and timing. \*Please believe with us to be ready both in & out of season for what's next for us in Roatan!

**PHOTOS: FRONT SIDE TOP LEFT :** Jen & Olivia the sloth. **BACKSIDE TOP LEFT:** Jen along a breezy lagoon. **RIGHT-FIRST** The t-shirt says, "Adjust your Latitude Roatan Honduras Since 1821." **SECOND:** Joy & I spent 2 ground days in July with our friend, Zela, who used to minister with us in San Pedro Sula. This trip to Roatan helped her bring closure from her time with us in the city. She now serves with friends in similar work in San Pedro Sula. **THIRD:** The monthly fellowship/net-working of missionaries. **FOURTH:** Fresh, local, island bananas. A friend gave me the "first fruits" or her stocks months ago & they tasted delicious in my protein energy smoothies. **In closing**, your prayers, gifts & love encourage me so. The Lord greatly bless you in ways that you could never imagine for the fruit of your labors!!
